Dear Mr. Dutton:

Congratulations! On behalf of the members of the National Association of Home Builders (NAHB), we would like to recognize Dave Jones Plumbing & Heating, Inc. as a 2010 NAHB/Builders Mutual Insurance Company Safety Award For Excellence (SAFE) first place winner in the category of **Specialty Trade Contractor of the Year (more than 50 employees)**. We would like to thank you for your award winning efforts to ensure that home builders, trade contractors, and workers in the residential construction industry return home to their families and friends each day.

As you know, the goal of the SAFE awards program is to recognize the achievements of home builders and trade contractors who have developed and implemented high quality construction safety programs, as well as honoring other individuals and organizations who have made successful efforts to advance safety in the home building industry. Being recognized as a first place winner means that NAHB acknowledges your leadership and commitment to improve construction safety.

In celebration of your achievement, please plan on joining us at the NAHB/Builders Mutual SAFE Awards Ceremony being held in conjunction with the 2011 International Builder Show in Orlando, Florida. The SAFE award winner's ceremony will take place on Tuesday, January 11, 2011 from 5:00 PM to 7:00 PM at the Peabody Orlando Hotel, where we will present the winners with their awards. To make a reservation to attend the SAFE awards ceremony, please RSVP to Tonia Green at [tgreen@nahb.org](mailto:tgreen@nahb.org) by Monday, January 3, 2011.

Again, congratulations and thank you for your commitment to promoting safety in the home building industry.

Best regards,
